

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW JERSEY

DAMON GUINN,

Plaintiff,

v.

CAMDEN COUNTY CORRECTIONAL
FACILITY,

Defendant.

HONORABLE JEROME B. SIMANDLE

Civil Action
No. 16-7395 (JBS-AMD)

OPINION

APPEARANCES:

Damon Guinn, Plaintiff Pro Se
114 Annapolis Drive
Erial, New Jersey 08081

SIMANDLE, Chief District Judge:

I. INTRODUCTION

Plaintiff Damon Guinn seeks to bring a civil rights complaint pursuant to the 42 U.S.C. § 1983 against the Camden County Correctional Facility ("CCCF"). Complaint, Docket Entry 1. Based on Plaintiff's affidavit of indigency, the Court will grant his application to proceed *in forma pauperis*.

At this time, the Court must review the complaint, pursuant to 28 U.S.C. § 1915(e)(2) to determine whether it should be dismissed as frivolous or malicious, for failure to state a claim upon which relief may be granted, or because it seeks monetary relief from a defendant who is immune from such relief.

For the reasons set forth below, the Court will dismiss the complaint with prejudice for failure to state a claim. 28 U.S.C. § 1915(e)(2)(b)(ii).

II. BACKGROUND

Plaintiff alleges that during February 2003, June 2008, January 2009, June 2012, and February 2013, he was detained in the CCCF in a "2 person living arrange [sic] w/ 4 other persons, putting myself to lay on the concrete floor." Complaint § III. He further alleges that he had to "rest or sleep w/ my head 1 to 2 feet from a toilet and sink." *Id.* He further alleges he sustained injuries including "sore back, stiffness in neck" and "was in the hospital after being released for clots due to sitting in that small area for long periods of time." *Id.*

III. STANDARD OF REVIEW

Section 1915(e)(2) requires a court to review complaints prior to service in cases in which a plaintiff is proceeding *in forma pauperis*. The Court must *sua sponte* dismiss any claim that is frivolous, is malicious, fails to state a claim upon which relief may be granted, or seeks monetary relief from a defendant who is immune from such relief. This action is subject to *sua sponte* screening for dismissal under 28 U.S.C. § 1915(e)(2)(B) because Plaintiff is proceeding *in forma pauperis*.

To survive *sua sponte* screening for failure to state a claim, the complaint must allege "sufficient factual matter" to

show that the claim is facially plausible. *Fowler v. UPMS Shadyside*, 578 F.3d 203, 210 (3d Cir. 2009) (citation omitted). "A claim has facial plausibility when the plaintiff pleads factual content that allows the court to draw the reasonable inference that the defendant is liable for the misconduct alleged." *Fair Wind Sailing, Inc. v. Dempster*, 764 F.3d 303, 308 n.3 (3d Cir. 2014) (quoting *Iqbal*, 556 U.S. at 678). "[A] pleading that offers 'labels or conclusions' or 'a formulaic recitation of the elements of a cause of action will not do.'" *Ashcroft v. Iqbal*, 556 U.S. 662, 678 (2009) (quoting *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544, 555 (2007)).

IV. DISCUSSION

Plaintiff seeks monetary damages from CCCF for allegedly unconstitutional conditions of confinement. Primarily, the complaint must be dismissed as the CCCF is not a "state actor" within the meaning of § 1983. *See, e.g., Grabow v. Southern State Corr. Facility*, 726 F. Supp. 537, 538-39 (D.N.J. 1989) (correctional facility is not a "person" under § 1983). Accordingly, the claims against CCCF must be dismissed with prejudice.

Generally, "plaintiffs who file complaints subject to dismissal under [§ 1915] should receive leave to amend unless amendment would be inequitable or futile." *Grayson v. Mayview State Hosp.*, 293 F.3d 103, 114 (3d Cir. 2002). This Court denies

leave to amend at this time as Plaintiff's complaint is barred by the statute of limitations, which is governed by New Jersey's two-year limitations period for personal injury.¹ See *Wilson v. Garcia*, 471 U.S. 261, 276 (1985); *Dique v. N.J. State Police*, 603 F.3d 181, 185 (3d Cir. 2010). The accrual date of a § 1983 action is determined by federal law, however. *Wallace v. Kato*, 549 U.S. 384, 388 (2007); *Montanez v. Sec'y Pa. Dep't of Corr.*, 773 F.3d 472, 480 (3d Cir. 2014).

"Under federal law, a cause of action accrues when the plaintiff knew or should have known of the injury upon which the action is based." *Montanez*, 773 F.3d at 480 (internal quotation marks omitted). Plaintiff states he was detained at CCCF in February 2003, June 2008, January 2009, June 2012, and February 2013. The allegedly unconstitutional conditions of confinement at CCCF would have been immediately apparent to Plaintiff at the time of his detention; therefore, the statute of limitations for Plaintiff's claims expired February 2015 at the latest. As there are no grounds for equitable tolling of the statute of

¹ "Although the running of the statute of limitations is ordinarily an affirmative defense, where that defense is obvious from the face of the complaint and no development of the record is necessary, a court may dismiss a time-barred complaint sua sponte under § 28 U.S.C. § 1915(e)(2)(B)(ii) for failure to state a claim." *Ostuni v. Wa Wa's Mart*, 532 F. App'x 110, 111-12 (3d Cir. 2013) (per curiam).

limitations,² the complaint will be dismissed with prejudice. *Ostuni v. Wa Wa's Mart*, 532 F. App'x 110, 112 (3d Cir. 2013) (per curiam) (affirming dismissal with prejudice due to expiration of statute of limitations).

V. CONCLUSION

For the reasons stated above, the complaint is dismissed with prejudice for failure to state a claim. An appropriate order follows.

Chief U.S. District Judge

² Equitable tolling "is only appropriate '(1) where the defendant has actively misled the plaintiff respecting the plaintiff's cause of action; (2) where the plaintiff in some extraordinary way has been prevented from asserting his or her rights; or (3) where the plaintiff has timely asserted his or her rights mistakenly in the wrong forum.'" *Omar v. Blackman*, 590 F. App'x 162, 166 (3d Cir. 2014) (quoting *Santos ex rel. Beato v. United States*, 559 F.3d 189, 197 (3d Cir. 2009)).
